induced him to a banker who was to finance the concern, but it never materialized beyond the name. The withes, questioned as to his acquaintance with some of the women who have accused Lindsey, said he understood Miss James had arranged for the sale of 325 shares of the mining company stock to Sarah E. Arnold. The sale was made by Lindsey. Sutton testified, but Lindsey never received any pay for his services as secretary. Sutton's further examination in the bankruptcy proceedings was adjourned until April 21.

He characterized the manner of shooting as "mining camp tactics" and referred to the unwritten law as "stuff." Several of the prospective jurors said they would be influenced by the fact that a woman was on trial. All were asked if possible emotional outbursts, tears or hysteria would have any effect on their decision.

As to Buying Furs Now From the Northern fur regions

expert trappers are sending the Winter's catch of choicest skins to the Gidding Fur Salons.

To take advantage of prevailing conditions in the raw skin market. we are suggesting custom-made wraps, coats and capes for future wear at prices far below those which will be in effect during the coming Autumn.

In order to keep our workrooms busy and to take advantage of temporary opportunities in the fur market, we are able to offer next season's mode in newest and

smartest designs developed to special order from the most luxurious pelts at a cost that is amazingly low.

For the first showing Choice Dark Eastern Mink Skins will be featured, and owing to the somewhat limited supply, we suggest prompt choosing.
